

FAASTeam presents:

NAFI - Becoming A CFI

Earning your CFI certificate is one thing, but becoming a truly professional and successful teacher is another altogether. After earning your certificate, it takes a deep understanding and different attitude to "become a CFI."

Whether you are an experienced CFI, someone who just joined the flight instruction profession, or are simply considering joining it, veteran aviation educator Radek Wyrzykowski will share his experience and knowledge related to becoming a true aviation teacher. This webinar is not about regulations and requirements, but rather is about what it takes to be the best and succeed.
